******* Joyful Journey requires that your child's belongings (bags, shoes, clothes, blankets, etc) are clearly labeled with a sharpie or something clearly legible so that teachers and staff can keep children's items orderly. *******

Please send your child to Joyful Journey with a labeled bag with the following items:

- 2 pairs of extra cloth in a clear plastic zip locked bag.
- Toothbrush & Tooth paste
- One water bottle (sippy cups for toddlers or straw cup with a few extra straws)
- One milk bottle (sippy cup for toddlers or straw cup with a extra straws)
- Hand sanitizer for use as needed, Hair brush used for blessing time before nap time
- For Full Time students only: Blanket (large enough to cover your child's body) and a mat sheet (used for your child to lay on top of. OPTIONAL: 1 pillow and 1 soft toy in a labeled plastic bag
- 1 container of wet tissues and diapers (note): please limit to bringing 1 bag of wipes and diapers at a time as we have limited space to store more. We will send home a note when we need your child to bring more diaper supplies.
- You may provide 1 labeled diaper cream for your child
- If your child needs Joyful Journey to have medication on hand, please provide medication with an authorization form (from the Department of Early Learning) and CLEAR medical directions. Medical authorization forms may be found at the following website: www.jjchildcare.com. Please note that if a medical authorization form is not filled out and signed, Joyful Journey cannot legally give your child medication.

[[Note]]

JOYFUL JOURNEY CHILDCARE

The forms and supplies listed above must be turned in by the first day of school. If all the forms are not complete and submitted by your child's first day at Joyful Journey Childcare, we will not be able to accept your child to stay.

We encourage parents to bring in all supplies and forms before your child's first day at Joyful Journey with your children. You may bring in your children's items at your convenience between the hours of 7:30AM – 4:00PM M-F. Bringing in your child's supplies ahead of time will prepare parents and children for a smooth transition as your child will be familiar with their cubby and their personal items; and parents can keep drop offs and 'good bye's' as quick as possible. First days at a daycare can be hard for both parents and child. Keeping good bye's quick will minimize children crying for their parents, and parents feeling anxious about leaving their children. Children are resilient and are fine once their parents are out of site and they feel settled. If you have any questions on how your child is doing, you may call or text JJ and we can give you an update. Thank you for entrusting your children with us. We look forward in helping them grow here at Joyful Journey Childcare!
